Town of Winchester Fire Department

UTV Fundraiser

The Town of Winchester is 36 square miles with approximately 35 percent being marsh/wildland and 3 percent forest land. Fires in these areas are relatively common and difficult to reach. Currently the TWFD depends on neighboring departments with UTVs equipped for firefighting to help combat these incidents as well as other remote emergencies. It is the goal of the department to raise the funding necessary to purchase a UTV and the related equipment needed to address these fires and emergencies more quickly.

Your support in this fundraising effort is greatly appreciated. Please send donations to:
