Re: Notice of Proposed Telecommunications Tower Construction
TowerNorth Site WI1050 Winchester
9510 Manu Road
Fremont, Wisconsin 54940
G2 Project No. 232209

On behalf of TowerNorth and in accordance with Section 106 of the National Historic Preservation Act, we would like to invite comments from your organization regarding the proposed construction of a 199-foot tall self-support telecommunications tower (overall height including top-mounted appurtenances) located near 9510 Manu Road, Fremont, Winnebago County, Wisconsin.

Specifically, TowerNorth invites comments from any interested party within your organization **regarding the potential for the proposed construction to adversely affect any designated historic resources.** A representative of TowerNorth will initiate the typical zoning/permitting processes at the appropriate time in the future. Comments pertaining to potential effects on historic resources may be sent to:
