**TAKE TO
DROP-SITE**

These items are banned from landfills and may be recycled at Winnebago County Solid Waste. Charges may apply.

For more information on local drop-sites, use our Waste Wizard search tool online at:

www.RecycleMoreTriCounty.org

OUR TOP CONTAMINANT

Plastic bags, film & wrap in any form are **NOT** accepted in recycling carts or dumpsters. Take clean and dry plastic bags back to store drop-off collection locations.

YOU CAN COMPOST AT HOME

Composting yard waste and food scraps creates nutrient-rich soil and supports a healthy Wisconsin landscape.

[WNDR composting info](#)

OTHER UNACCEPTABLE ITEMS

BATTERIES

Batteries & electronics are a fire hazard and should never go in recycling carts. Search "battery" or "electronic" in our Waste Wizard website tool to find proper drop-off locations.

SHREDDED PAPER

Shredded paper builds up in our equipment creating unnecessary maintenance & cleanup. Visit our website or contact us for information about shred events or other shredded paper drop-off site information.

LIQUIDS & FOOD

Putting garbage, liquids & food in the recycling or "wish-cycling" items that you are unsure what to do with makes it difficult and costly for us to sort clean recyclables. When in doubt, visit our Waste Wizard website tool or contact us.

DOWNLOAD THE BETTERBIN APP!

The BetterBin app is a one-stop-shop to find answers to all of your recycling questions. You'll be able to scan any product UPC barcode or search household items to get local recycling instructions - EASY, ACCURATE & CONVENIENT.
