

America 250 Celebration

As the United States celebrates the 250th anniversary of the signing of the Declaration of Independence, the Town of Winchester is excited to announce plans to join the celebration. Residents, businesses, and members of the community may sponsor special flags for the celebration. Shown below, the 'Betsy Ross Anniversary Flag' and the official 'America 250' flag will be displayed on the roadside posts for the 2026 season. After the seasonal display is complete, the flags will then be given to the sponsors as a keepsake along with a certificate identifying its display as part of the celebration in the Town of Winchester.
